A.D.S.N. is put up regarding the suggestions made by the Council on the 8th October last in the matter of the grant of sannads to recipients of Gandabherunda titles and the institution of Gandabherunda Medals to be presented to persons to whom certificates with khillats are now awarded. FOR ORDERS.

—o—

In accordance with the instructions received in Council on the 8th instant, I submit herewith the draft of a Submission Note regarding the

(i) institution of a system of Gandabherunda medals (Civil order); and

(ii) presentation of Sannads on parchment to recipients of titles of the Gandabherunda order.

24.11.17.

11/10/17

DRAFT SUBMISSION NOTE.

Under the existing scheme, certificates, with khillats of the value of Rs.80 (I class) or Rs. 50 (II class), are awarded at Palace Durbars to gentlemen who render public services deserving of special recognition but not of such a high order as to merit a title of the Gandabherunda Order.

2. It would be perhaps appropriate if these gentlemen are presented with medals- say of the value of about Rs. 50 for the I class and Rs. 25 for the II class- of the Gandabherunda Order, in place of the certificates, the khillats to be presented being proportionately reduced in value. If the proposal meets with the approval of His Hihness, suitable designs will be obtained and submitted for approval.

3. The system of granting mere certificates signed by the Dewan, the Secretary to Government, or the Deputy Commissioner, as the case may be, for services of a lower order, may continue.

4. I beg to suggest in this connection that Sannads on parchment may also be granted to the gentlemen who are awarded Gandabherunda titles. The contents of the Sannad may be a copy of the Announcement read out in the Durbar, bearing the sign manual of His Highness.

These suggestions have been drafted after discussing in Council

10.1.18.

With reference to remarks of the 2nd member of Council (as Dewan in charge) on the D. S. N.

9 There is no formal record of opinion regarding the value of the proposed medals. My recollection is that the Dewan suggested that the two classes of medals might be of the value of about Rs.100 and Rs.50. Designs for such medals have accordingly been obtained from Messrs. Barton Son & Co. and submitted.

10 As the matter is not very urgent I would submit that it may be considered once more after the Dewan's return and His Highness's orders obtained after the details are decided in Council.

Submitted to His Highness.

19) In connection with the existing practice of granting titles of the Gandabherunda Order and awarding certificates with khillats to mark His Highness' recognition of public services rendered by the officers of Government and private individuals, it is considered desirable to introduce the following changes :-

(1) the grant to each recipient of a Gandabherunda title of a sannad in parchment containing a copy of the Announcement made in the Durbar and bearing the sign Manual of His Highness, and

(2) the presentation of gold medals instead of khillats in cases in which certificates with khillats are awarded.

20) The sannads proposed will furnish the title-holders with a formal record of the honour they have received at the hands of His Highness, while the medals proposed to be substituted for certificates in the other case, will be cherished by the recipients as a permanent token of His Highness' gracious favour.

21) A few designs of the medals proposed to be newly instituted, obtained from Messrs. Barton Son & Co., are herewith submitted. These sketches show the legend and scroll on the obverse side and the reverse will bear the inscription "Presented by His Highness the Maharaja to .....". The design marked "AA" appears to be suitable and the first and second class medals struck after this design in 22ct. gold, will, according to the quotation furnished by the firm, cost about Rs.90/- and Rs.60/- respectively. An order for 12 medals of each class will be placed with the firm, if His Highness approves, and the medals kept in stock for use as occasion arises.

27

4. The grant of certificates is at present accompanied by khillats of the value of Rs.80 for the first class and Rs.50 for the second class. With the substitution of medals costing Rs.90 and Rs.60 instead, the award of khillats in addition will be unnecessary.

Page 5 of Office note.

5. The above suggestions, which have been agreed to by the Members of Council, are submitted for the gracious consideration and orders of His Highness.

Nos.3 and 4 we could supply at the following rates as we have got these dies by us. No.3 in 18 ct. gold Rs.50/- and in 22 ct. gold Rs.65/- net. No.4 in 18 ct. gold Rs.85/- and in 22 ct. gold Rs.100/-. We cannot strike medals in pure gold as it is much too soft, and will always have a rough surface, hence our giving the quotation in 18 and 22 ct. gold. We trust we have made ourselves quite clear and that we may in due course be favoured with your instructions.

Always at your service,

The Chief Secretary

General and Revenue Secretariat,

B a n g a l o r e.

Dear Sir,

With further reference to your letter No.7608/G. M. 408-17-4, dated 5th December 17, we now beg to return the two selected designs marked No. 1 and 2 for the Medals of the "Gundabherunda" Order, having added a scroll with the words "For Public Service" inscribed on it.

We have also prepared another design, marked 'A. A', and which we beg to enclose for your approval. This, you will see, is slightly different to '1' and '2' and, in addition, we have shown a very light ornamental scroll background, and which, we think, would look very well, if stamped in relief.

You have not given us any idea, as to how many of these Medals will be required, but we presume that, once adopted, a fair number will be wanted yearly. We have therefore worked out our estimates on a minimum order of twelve of each size, i.e., 24 Medals, in all, and

If receive your commands for this number, we will cut the dies at our own cost and supply Medals of the smaller size in solid 18 ct. gold at Rs.50/- each net, and of the larger size at Rs.70/ each net. If in 22 ct. gold, the smaller size will cost Rs.60/- net, and the larger Rs.90/-. If 22 ct. is required and the limit for the smaller Medal is to be Rs.50/-, then we will have to supply it very slightly smaller than the sketch gives it

If we may offer an opinion, we think design 'A. A. would look much better than either '1' or '2'

Our quotations include any inscription you may wish to have engraved at the backs of the Medals, and for which purpose the surface at the back will be perfectly plain.

The "Gundabherunda", scrolls and letters will all be in relief, and each Medal will be fitted in an elegant padded card-board case.

Awaiting your commands, and always at your service,

We are, Dear Sir,

Yours faithfully,

We are in receipt of yours No.G 13670/G M 408-17-7, dated 6th instant, for which we tender you our best thanks, and have pleasure in noting that our design for Medals marked 'A.A.' has been approved of and that we are to supply to your office 12 medals of this kind and 12 medals of the second class at Rs.90/-and Rs.60/-respectively. We are afraid we might have to charge a little more owing to the present rate of gold as our quotation was given about three months ago. We have noted all particulars with reference to this order, and which we will have carried out, on your returning us the designs. Unfortunately we did not take duplicate copies of these, so must have originals to work upon. We will assure you that the medals will be of 22 ct. gold and will be stamped accordingly, and that our workmanship will be all that can be desired. We will endeavour our utmost to deliver it by the 1st May, but as you know this gives us very little time to complete this order, especially if

The work of the steel dies are in hand and we hope to get the larger die ready by the end of this week, and the smaller one during the course of next week.
